

OBC1 – Blue Plaque nine lines of text

This is a 400mm diameter circular plaque offered with up to 9 lines of text. Please bear in mind when requesting text that the longest line would likely be a maximum of say 30 letters and placed near the centre of the plaque, and lines 1 and 9 can be curved around the top and bottom of the plaque.

Comments regarding layout can be made in the Comments box or you can submit a sketch using the upload facility you can call our team on 01525 874185 ... we are always pleased to chat.

Select from the options in dropboxes:

- Dimensions
- Letter Style – see example drawings
- Background Colour
- Letter Colour
- Border colour. Please note if you select AS BACKGROUND it will be left to match the background
- Fixings
- Add required text to the editable text box. Here you can indicate your preferred layout – if you require line 1 or 6 around the top or bottom curve, or you would like a particular line in larger size letter, please just make a note beside the appropriate line of text.
- Use the comments box for any special requirements. Should you wish to submit a sketch please upload your file using the box provided

Should you require a bespoke motif please use the enquiry form below and we will get back to you to discuss it.

Fixings:

Standard fixing is a keyhole at top centre and 2 holes for

screw fixing

All orders shipped to the UK will be supplied with brass dome headed screws painted to match.

If you would like to discuss any aspect of your order please call us on 01525 874185 – 8.00am until 5.00pm, or email enquiries@sott.co.uk
