

ROT1 – Rotary Meeting Sign

Rotary Meeting Sign.

Material

Cast in one piece in solid, rigid, *polyurethane*.

Finish & Appearance – **CUSTOMISE YOUR SIGN* – (please note, the shape and layout are indicative only)

- * Choose the typeface you prefer and the colour
- * Choose you background colour – this will be a quality hard wearing paint.
- * Choose the border type – the colour will match the letters unless you select unpainted, in which case it will match the background
- * Arrange the text. Our design facility will guide us to your preferred layout. We will of course make sure all the text is straight and centred to the same high standards as the examples you see. Use the comments box if you want us to alter anything.

Fixings

- * Let us know if you would like the sign drilled for wall fixing by selecting mounting holes. Brass dome headed screws painted to match will be included with all orders shipped to the UK .
