

FP Post 1 – Post

- Aluminium post 76mm diameter to fit our cast directional arms
- Length of post is calculated by us to allow 2.2m between ground level and the lowest arm, and a minimum of 600mm below ground level. (please advise clearly if you require a different height)
- Sand blasted and etched before painting in colour of your choice
- Each post is supplied with two “doughnut” shaped decorative collars painted to compliment your signs
- An optional decorative finial is available, otherwise a post cap will be provided
- Carriage – please note that posts over 3.4m will be sent by dedicated vehicle, and not by general carrier, in which case carriage is charged on a mileage basis.

Please do not hesitate to contact us with an enquiry or for a quotation

Price includes carriage to Mainland UK and VAT

FP1 – Directional Arms

- Directional arm cast in aluminium – 600mm x 125mm
- Integrated collar to fit over a 76mm diameter post
- Optional ‘open’ collar for fixing to an existing post
- Optional half collar to allow two arms to sit level with each other – see example below
- Times New Roman or Franklin Gothic upper case letters –

The examples above are 'VISITORS' Times New Roman and 'PRIORY CHURCH' Franklin Gothic

- One, two or three lines of text
- Letters and chevron in relief
- Choice of background and letter colours – please note that the chevron will be painted the same colour as the letters
- Directional arms incorporating instructional logos eg 'walking man' or a bespoke crest or logo are available – [please contact us for a quote](#)

Prices include carriage to Mainland UK and VAT

Open collar to fit around an existing post

Half depth collar to enable 2 arms to fitted on same level

Example of bespoke
logo and walking man
logo

FP3 – Ball Finial

Cast aluminium ball finial

Approximately 150mm dia

Cast in one piece with a plug to fit a 76mm external diameter tubular post

Painted to match lettering and decorative collars – or colours of your choice

Also available are bespoke finials made to fit a 76mm external diameter tubular post

Examples below show a polo finial incorporating a central logo and an oval finial with a central motif. The latter is often used in conjunction with parish signs to tie in with a village sign or boundary <http://signsofthetimes.co.uk/signsenquiry> signs. For bespoke finials please [contact us for a quotation](#)

Price is including carriage to Mainland UK and VAT
